

The European animal health industry in profile - 2015

The animal health industry is a highly regulated, science-driven sector focused on the provision of products that preserve the health and welfare of animals, protect human health and help to ensure the provision of safe, affordable and high quality food.

IFAH-Europe member companies invest over €500 million in research and development every year. The industry provides around 50,000 full-time jobs in Europe.

| Animal health products | Subtotals in € | Total values in € | % |
|--|----------------|----------------------|-------------|
| Vaccines | | 1.479.349.164 | 26.6 |
